

Greater St. Louis Chapter NTMA Meeting & Plant Tour Tuesday, September 21, 2010

Followed by dinner meeting at Lombardo's Restaurant

This year's annual plant tour is hosted by Mueller Machine & Tool. Their staff will provide tours of their approximately 60,000 square foot facility, which includes a 30,000 square foot high bay with overhead cranes. Mueller designs and builds die cast dies, stamping dies, draw dies, trim dies, special machinery, fixtures, gauges and plastic molds. Tours begin at 5:30 p.m.

Special invited meeting guests: 2010 scholarship recipients & their families.

*5:30 p.m. Tours begin at Mueller
Lombardo's Restaurant immediately following tours
